

FAITH-BASED HEALTH COLLABORATIVE PPP Support MINI-GRANT APPLICATION

ABOUT THE FAITH-BASED HEALTH COLLABORATIVE

The Faith-Based Health Collaborative assists and supports community congregations Health Ministry Teams as they carry out the mandate(s) of their churches as directed by Senior and/or lead Pastor, Officers and Church Boards in supporting the various trainings, education, and exchange of educational materials and educational opportunities. These activities assure access to educational resource information, health promotion and prevention initiatives, knowledge and opportunities to lead to healthier lives and reduce health disparities.

Highmark created the collaborative in 2012 under the direction of Dr. Rhonda Johnson. The Faith-Based Health Collaborative has worked to help community members as they put their ideas into action in support of their congregations' health ministry plan and educational needs. The Collaborative assists congregations with developing health-related programs to improve the health, well-being and quality of life for individuals in those communities.

FAITH-BASED PPP SUPPORT

To support community churches in their efforts to bring awareness, education, and health information to community members, in partnership with the Highmark Foundation, we are pleased to announce that the Faith-Based Health Collaborative is now providing PPP support for churches. Churches can apply for a PPP Support Grant up to \$1,000.
